RtPM & IDC

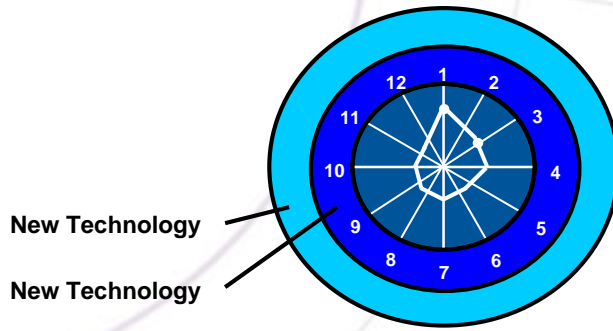

RtPM

Monitor, Measure & Control the Enterprise Variances by Collaborative Environment - Standards - Simplification

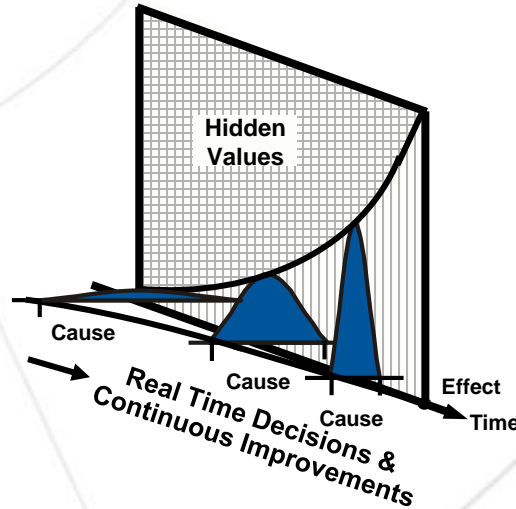

Look for Hidden Values

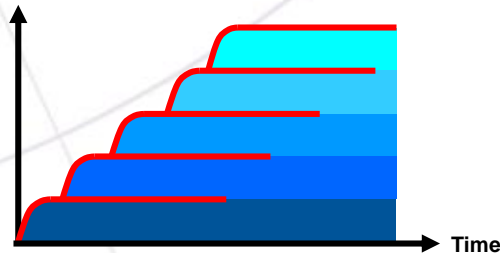

1. Business
2. IT
3. Environment
4. Finance
5. Accounting
6. Purchase
7. Development
8. Quality
9. Maintenance
10. Process
11. Automation
12. Operation

People

Hidden Values

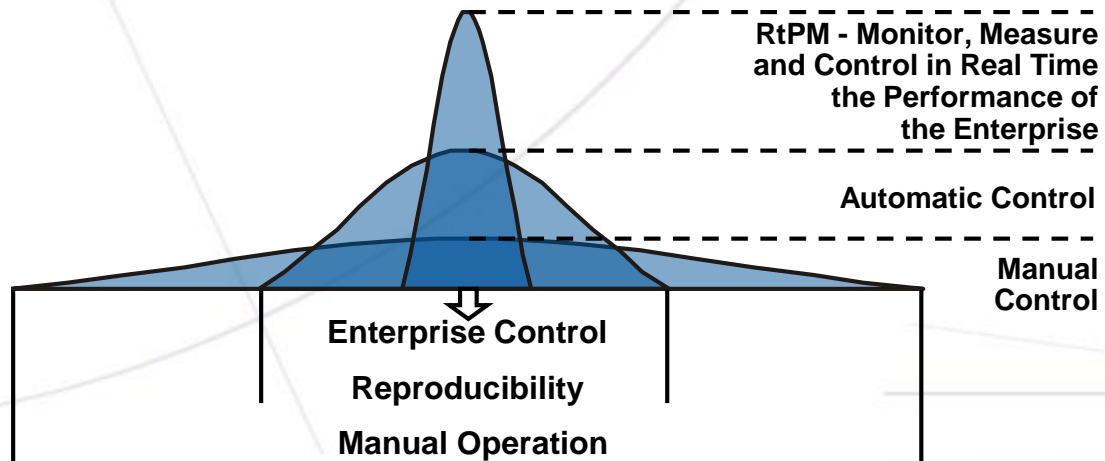

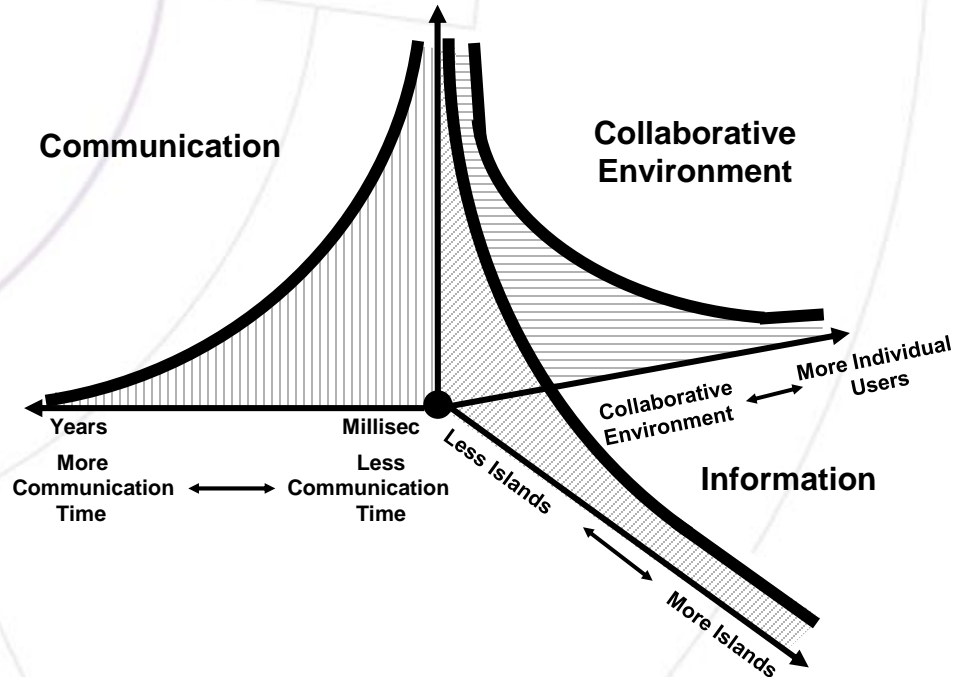

- Results By:
- Control Plan - Actual
 - Understand Cause & Effect
 - Debottlenecking
 - Re-engineering
 - Real Time Decisions
 - Continuous Improvements

Results

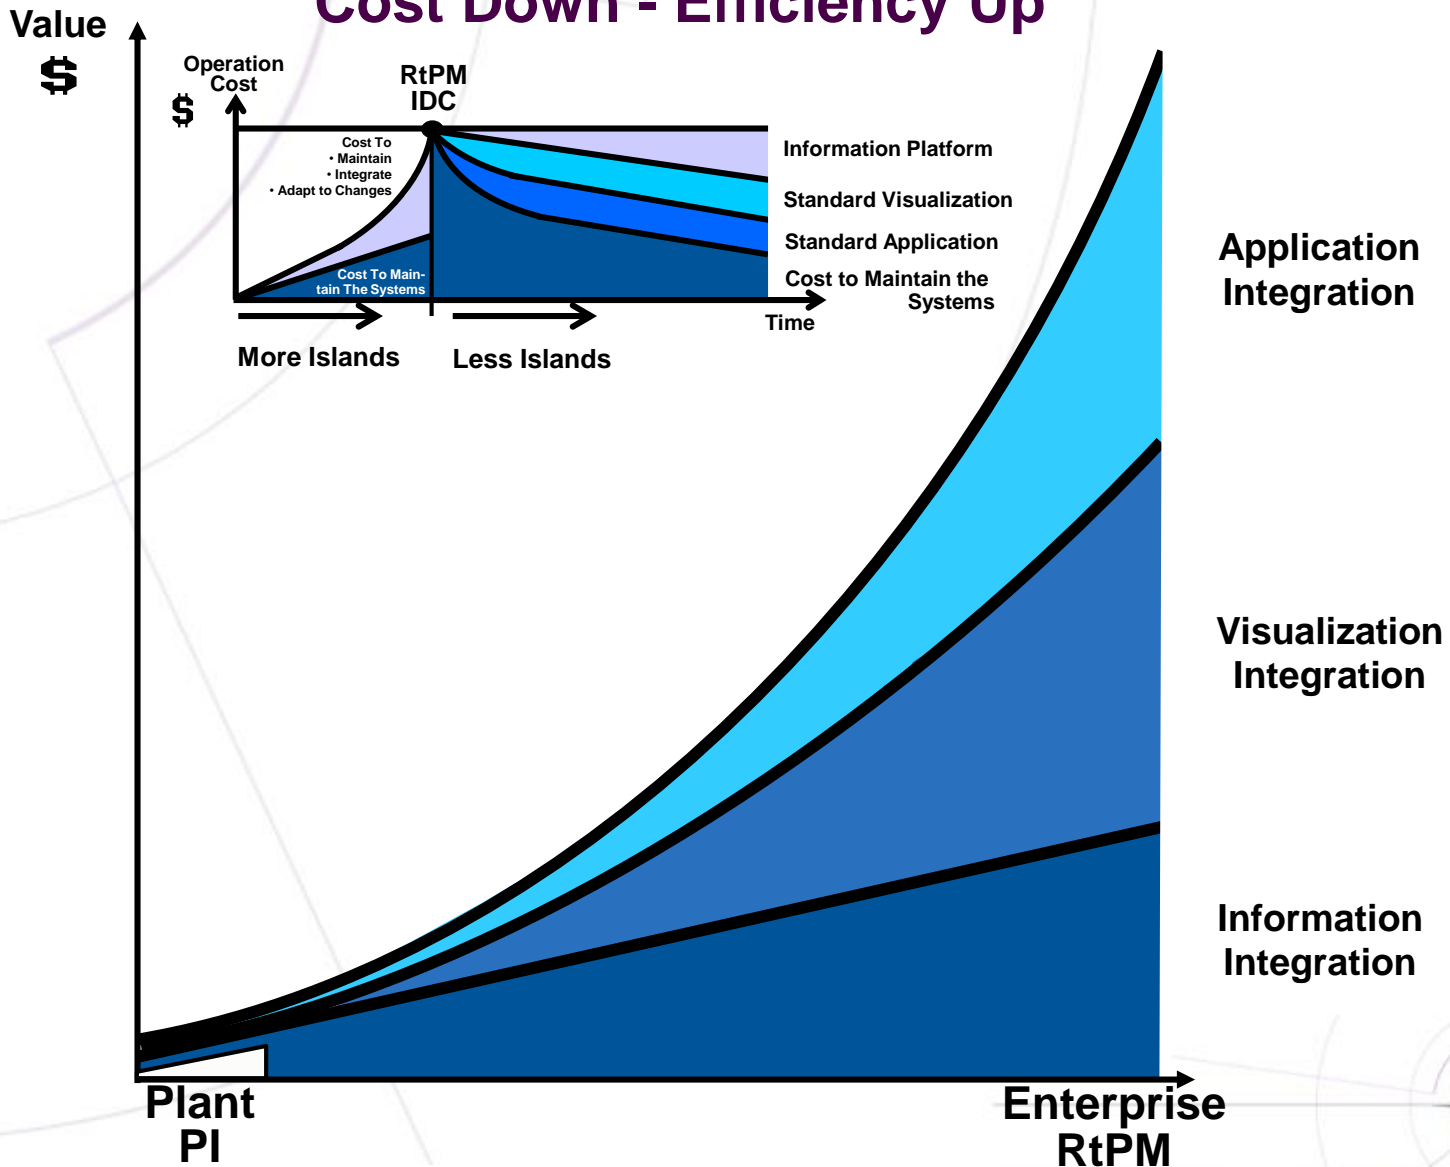

From Plant to Enterprise

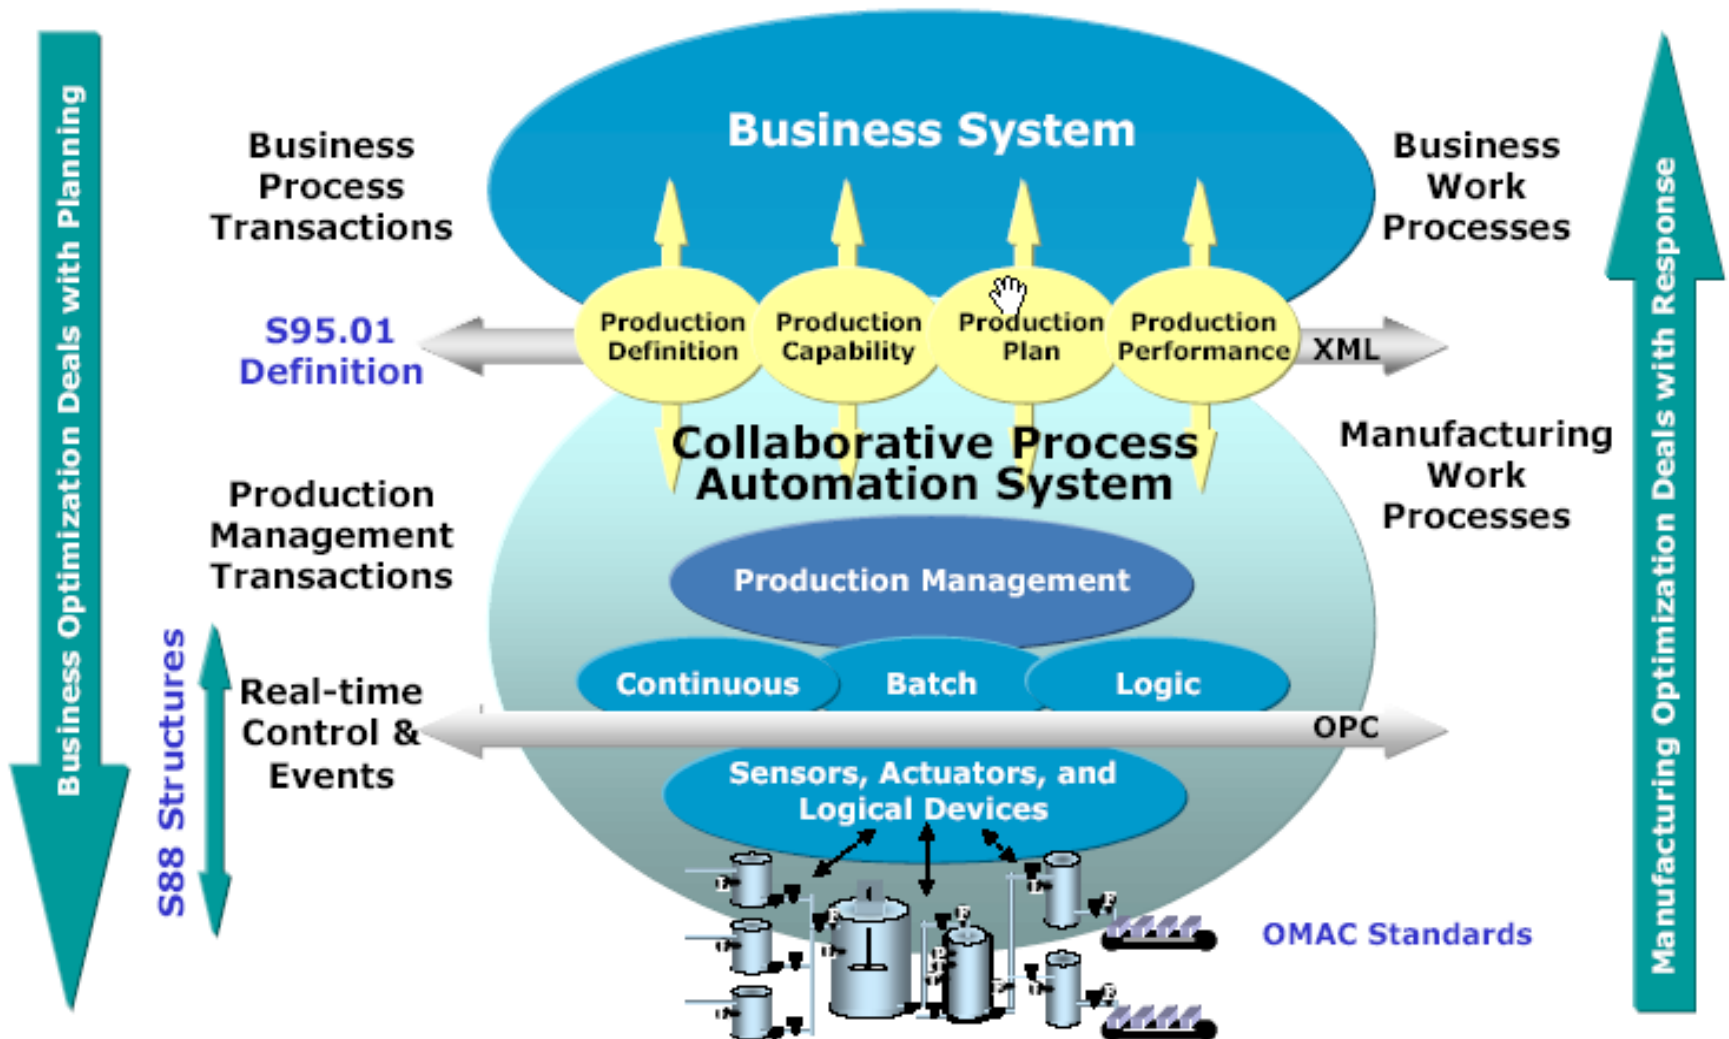

From Plant to Enterprise

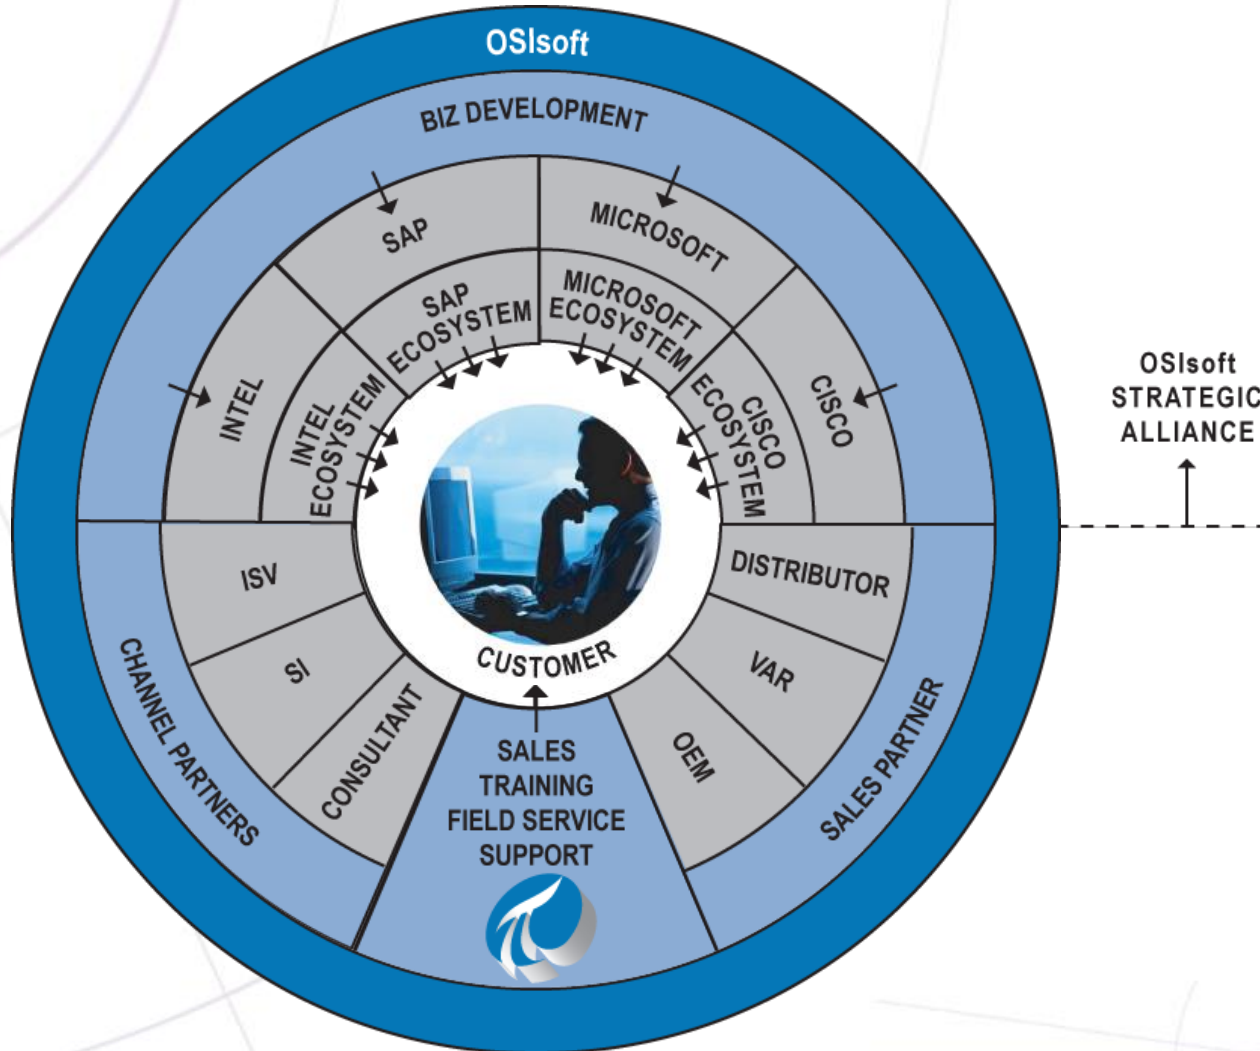

Cost Down - Efficiency Up

RtPM Enables Operational Innovation

The OS/soft Ecosystem

Thank You...

- To all our Customers
- To all our Partners

A successful Users Conference !
