OSIsoft vCampus

...fill this in

The screenshot shows the OSIsoft Virtual Campus website. The header features the OSIsoft logo and the text "VIRTUAL CAMPUS". Below the header is a navigation bar with links: Library, Discussion Hall, Auditorium, Bloggers' Place, Training Center, Download Center, and Control Panel. A search bar with a "Go" button is on the right. A welcome message "Welcome Steve Pilon | Sign out" is displayed. The main content area has a large image of a cityscape with a "Discussion Hall Forums" label. Below this are three columns: "WHAT IS OSIISOFT VIRTUAL CAMPUS?", "EVENTS", and "NEWS".

WHAT IS OSIISOFT VIRTUAL CAMPUS?

OSIsoft vCampus is a **subscription-based**, online offering that consists of providing everything people need to **develop applications** on the PI System. Focusing on doing it right, this **community-oriented** program provides each of its subscribers with:

- Personal development **PI System**
- **Community** experience with discussion **forums** and **blogs**
- Online **library**
- Technical, interactive **webinars**

OSIsoft vCampus is intended to facilitate and encourage communication around PI programming and integration between OSIsoft partners, customers and employees.

Please consult our [FAQ](#) or [contact us](#) for more details.
