

OSIsoft®

REGIONAL SEMINAR 2012

E M E A

The **Power** of **Data**

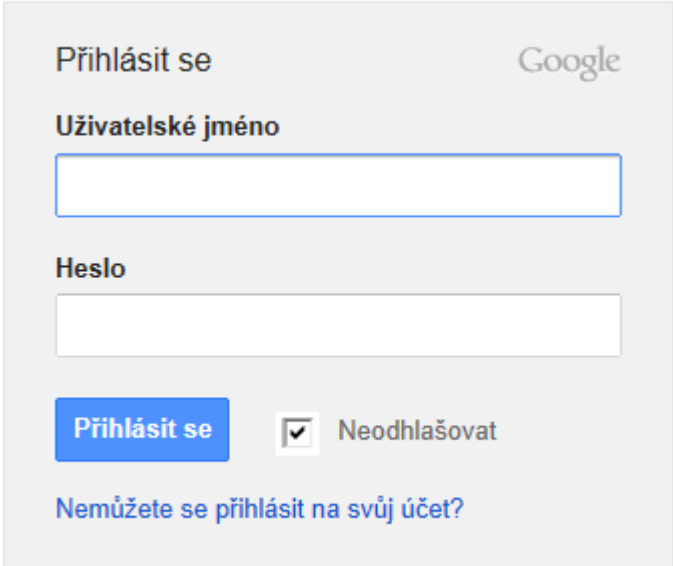

Value now, Value over time

Presented by **Petr Sebela**

Features Requiring Login

- Watch later queue
- New playlist's
 - Combining different sources
 - Sharing with others

The image shows a login form for OSISOFT. At the top left, it says "Přihlásit se" (Login) and at the top right, "Google". Below this, there are two input fields: "Uživatelské jméno" (Username) and "Heslo" (Password). Below the password field, there is a blue button labeled "Přihlásit se" (Login) and a checkbox labeled "Neodhlašovat" (Don't log out). At the bottom, there is a link that says "Nemůžete se přihlásit na svůj účet?" (Can't log in to your account?).

OSIsoft's YouTube Learning Channel

- Videos available: approx. 1.200
- Total time: 90+ h
- Playlists: 35
- Video views: 220K+

- Do you want to learn more?

 - Playlist: Getting Started with OSIsoft's Learning Channel

vCampus

OSIsoft Virtual Campus

- Subscription-based community
 - OSIsoft developers
 - Partners
 - Customers
 - OSIsoft vCampus team
 - Manage and moderate
- Supports applications development on top of PI System

vCampus - How to start?

- vcampus.osisoft.com
- Apply Now

The screenshot shows the OSISOFT website header with a navigation menu. A yellow arrow points to the 'Community' link in the top right corner. The main content area features a large banner for the 'OSISOFT USERS CONFERENCE 2012' with the tagline 'The Power of Data'. Below the banner are three columns of content: 'Upcoming Events', 'Latest News', and 'Featured Links'. The 'Upcoming Events' column lists several events including AISTech 2012, Sustainability's Digital Infrastructure Webinar, SAPPHIRE NOW 2012, and Achema 2012. The 'Latest News' column lists several news items including OSISOFT and IHS Strategic Alliance, OSISOFT selection as a WECC provider, Smart Grid implementation, and PI Coresight releases. The 'Featured Links' column includes a link to 'Learn More About PI Coresight' and a section for 'What is the PI SYSTEM?' with a list of related content.

vCampus – Need More Information?

- Take a "tour"

WHAT IS OSISOFT VIRTUAL CAMPUS?

OSISOFT vCampus is a **subscription-based**, online offering that consists of providing everything you need to **develop applications** on the PI System. This **community-oriented** program provides:

- Personal development **PI System**
- **Community** experience with discussion **forums, blogs,** and **webinars**
- Online **library** and courses

OSISOFT vCampus is intended to encourage communication around PI programming and integration between OSISOFT partners, customers and employees.

We invite you to **take a "tour"** of the OSISOFT Virtual Campus – [click here](#) to consult our **FAQ** or **contact us** for more details. For non-programming or urgent technical support please visit OSISOFT **Tech Support website**.
