

OSIsoft®

USERS CONFERENCE 2012

The Power of Data

PI Coresight: Visualization and Analysis for Everyone

Presented by **Tom LeBay** and **Eugene Resnick**

NuGreen Industries

PI Coresight™

The Fastest, Easiest Way to Visualize PI System Data

Find

Discover

Analyze

Collaborate

A top-down view of a group of people's hands stacked together in a circle, symbolizing collaboration. The hands are of various skin tones and are adorned with jewelry like bracelets, rings, and watches. The background is a blurred indoor setting.

Announcing
