OSIsoft Virtual Campus (vCampus)

The screenshot shows the OSIsoft Virtual Campus website in a web browser. The browser's address bar displays <http://vcampus.osisoft.com/>. The website header includes the OSIsoft logo and the text "OSIsoft virtual campus™". Below the header is a navigation bar with icons for Library, Discussion Hall, Auditorium, Bloggers' Place, Training Center, Download Center, and Live!. A search bar is located on the right side of the header. The main content area features a "Partner Solution Showcase" banner with a video player and the text "Introducing our Partner Solution Showcase". Below the banner is a "Tweets" section with three tweets from @OSIsoftvCampus. To the right of the tweets is a section titled "What is OSIsoft Virtual Campus?" which describes the platform as a subscription-based, online offering for developing applications on the PI System. It lists features such as personal development PI System, community experience with discussion forums, blogs, and webinars, and an online library and courses. A "JOIN NOW" button is located at the bottom right of the page.

Introducing our
Partner Solution Showcase

Welcome to OSIsoft Partner Solution Showcase where you can find software solutions provided by trusted OSIsoft partners with specific industry and

What is OSIsoft Virtual Campus?

OSIsoft vCampus is a subscription-based, online offering that consists of providing everything you need to develop applications on the PI System. This community-oriented program provides:

- Personal development PI System
- Community experience with discussion forums, blogs, and webinars
- Online library and courses

OSIsoft vCampus is intended to encourage communication around PI programming and integration between OSIsoft partners, customers and employees.

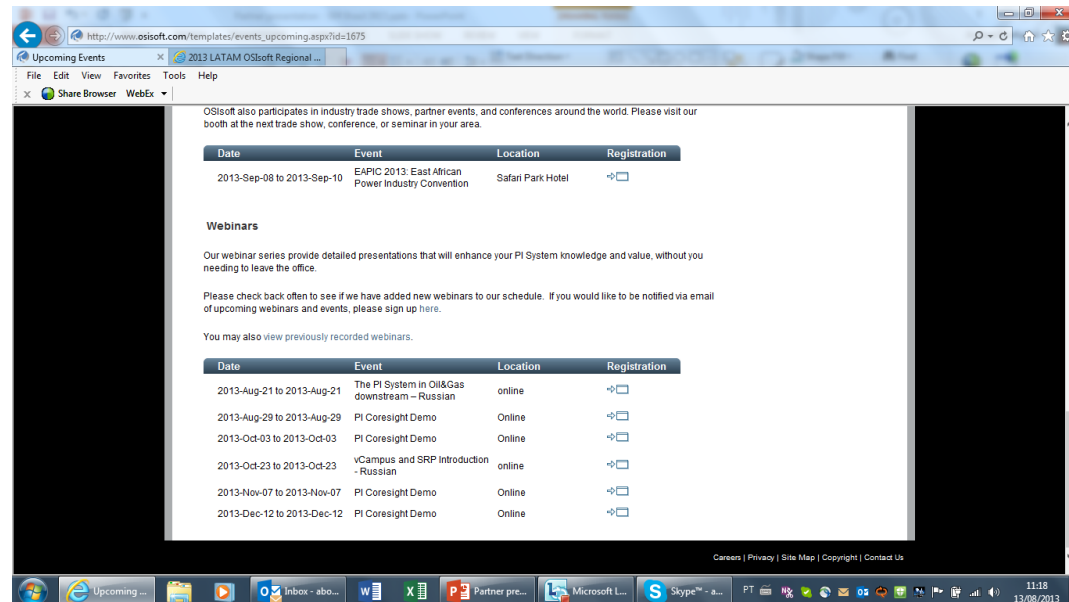

We invite you to [take a "tour"](#) of the OSIsoft Virtual Campus - also feel free to consult our [FAQ](#) or [contact us](#) for more details. For non-programming or urgent technical support please visit OSIsoft [Tech Support website](#).

Webinars

- Apresentações online detalhadas sobre PI System
- Apresentações sobre as soluções do Partner Solution Showcase
- Você pode programá-los no seu calendário e ser avisado por e-mail sobre os próximos webinars

The screenshot shows a web browser window displaying the OSISOFT website. The address bar shows the URL: http://www.osisoft.com/templates/events_upcoming.aspx?id=1675. The page title is "Upcoming Events". Below the title, there is a table of upcoming events:

Date	Event	Location	Registration
2013-Sep-08 to 2013-Sep-10	EAPIC 2013: East African Power Industry Convention	Safari Park Hotel	Registration

Below the table, there is a section titled "Webinars". The text reads: "Our webinar series provide detailed presentations that will enhance your PI System knowledge and value, without you needing to leave the office. Please check back often to see if we have added new webinars to our schedule. If you would like to be notified via email of upcoming webinars and events, please sign up [here](#). You may also view previously recorded webinars."

Below the text, there is another table of upcoming webinars:

Date	Event	Location	Registration
2013-Aug-21 to 2013-Aug-21	The PI System in Oil&Gas downstream - Russian	online	Registration
2013-Aug-29 to 2013-Aug-29	PI Coresight Demo	Online	Registration
2013-Oct-03 to 2013-Oct-03	PI Coresight Demo	Online	Registration
2013-Oct-23 to 2013-Oct-23	VCampus and SRP Introduction - Russian	online	Registration
