Internet of Hotel Things

Be one of the first to explore **PI Coresight 2016** on your own device, and dive into the data that we are collecting from the hotel all around you! Participate in our Data Analysis Competition (see details below) for a chance to win a **€150 Amazon Gift Card**!

Login Information

Log in to the IoHT PI Coresight with the username of your email address (the part before the @ symbol, max first 20 characters) that you submitted when registering for the UC, along with a blank password. For example, a registered email address of *pimonitor@osisoft.com* would have a username of *pimonitor*.

If you are using a small-screened device, like a smartphone, you can find all displays by searching for '*'.

If you have any problems logging in to the website with your credentials, or you are unsure of your credentials, please email pimonitor@osisoft.com with your problem.
