Why AVEVA Connect ?

Collaborative

Remove organizational silos and enable transparent, real-time collaboration in a shared environment to allow unmatched levels of workforce efficiency.

Fast

Fast deployment and easy access to contextualized information and rich Artificial Intelligence, to make agile decisions and ensure sustainable growth.
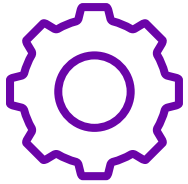

Flexible

Lower total cost of ownership (TCO) and flexible consumption based on need. Scale up, or down, with the right tools at the right time.

Secure

Access the latest digital services built for data security and high availability (>99% uptime), with centralized user management and single sign-on.
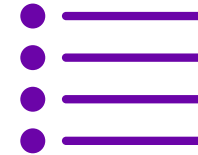

AVEVA

AVEVA™ Connect

Challenge

- Providing a common platform to enable AVEVA, and 3rd Party Partner offerings from a single place, centrally managing services, users and credits.
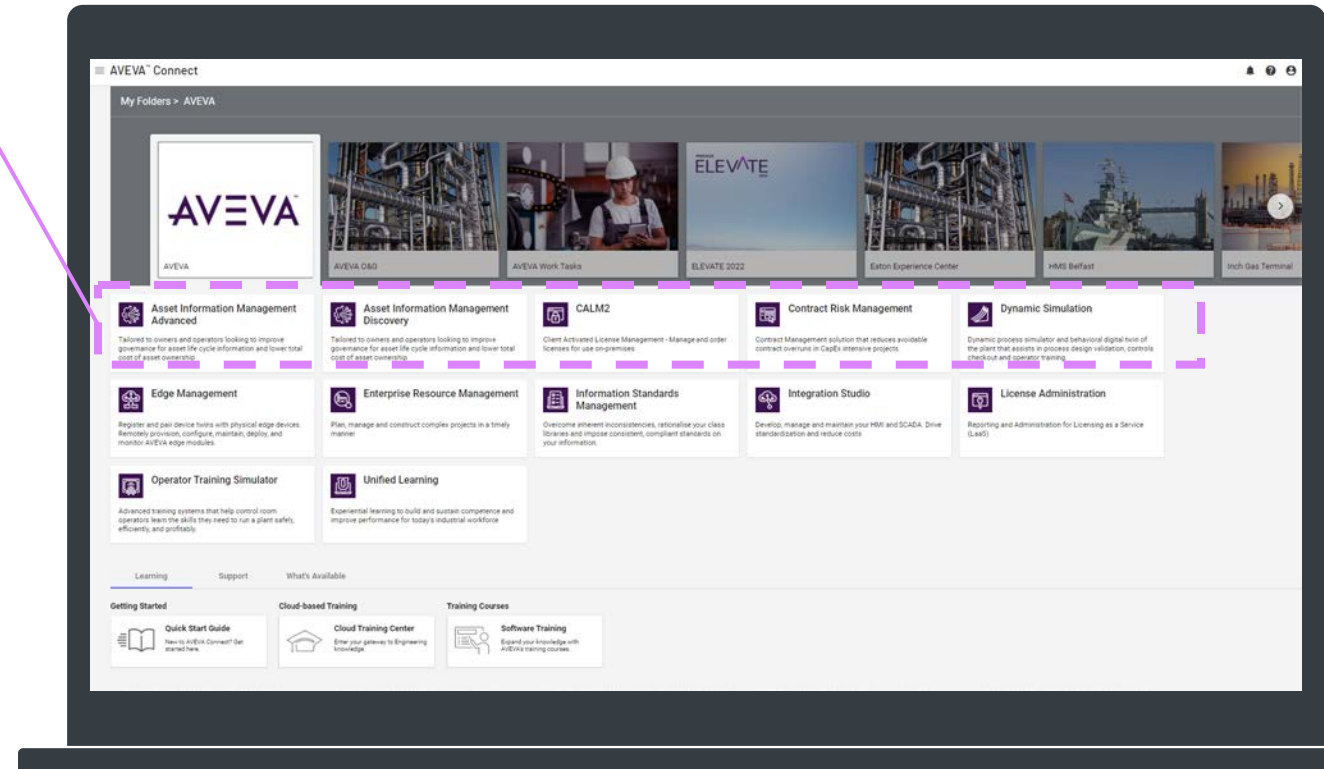

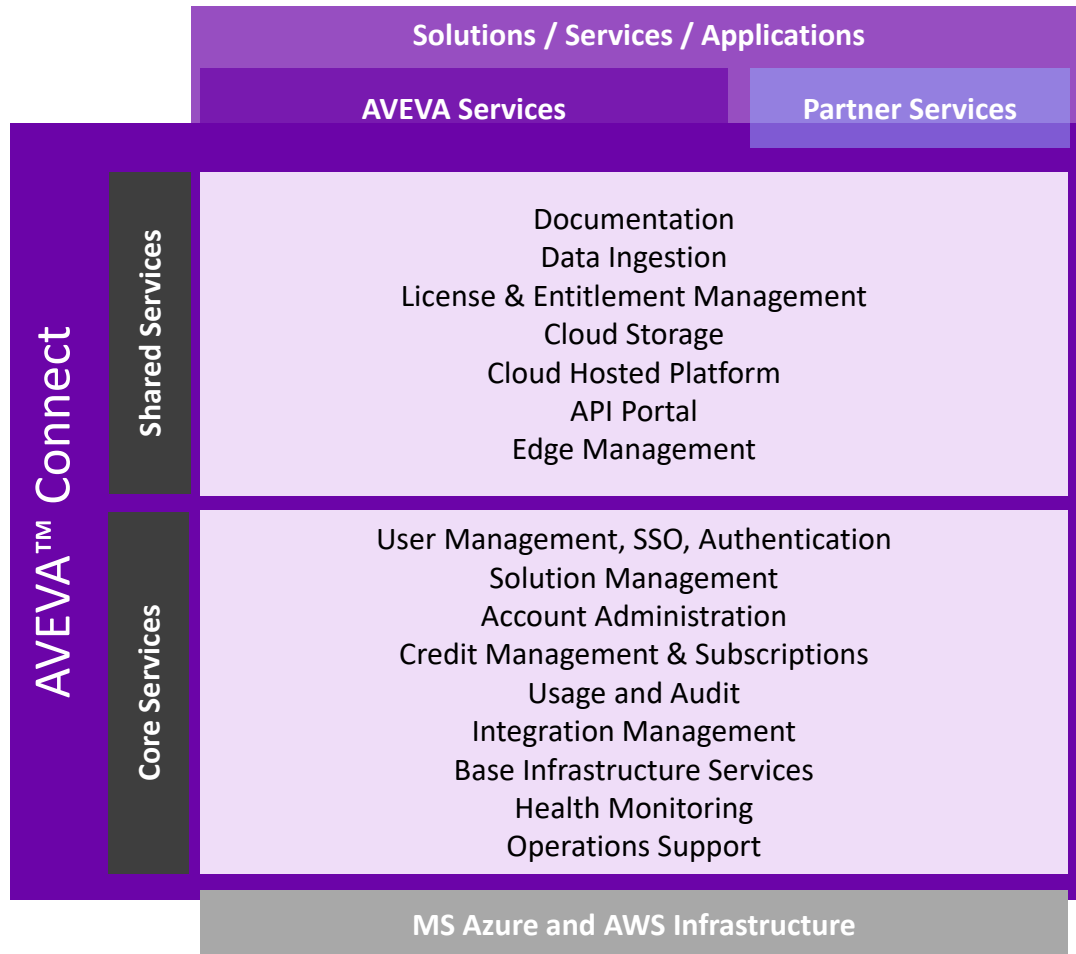

Solution

- AVEVA Connect as the Industrial cloud platform where you can access all AVEVA's cloud services and SaaS offerings. In it's secure and scalable cloud and hybrid cloud environment you can access and manage your organization's software portfolio, centralise User Management, and analyse Flex Credits and Usage consumption

Benefits

- AVEVA Connect enables you to collaborate in a real-time shared environment, while making agile decisions in a fast and efficient way.

- You can choose when to scale up or scale down, thereby making sure you have the right tools at the right time.
