Innovation Update

Turning your challenges into your opportunities

Andrew McCloskey, CTO & EVP R&D
Colm McCarthy, SVP Portfolio Management

We have heard about the challenges industries are facing

**Increasing ESG regulations
and consumer desire for
green alternatives**

92%

executives see sustainability
as number 1 priority
AVEVA

**Supply chain,
commodity price and
service disruptions**

85%

of less digitalized companies
share supply chain challenges
- Forbes

**Workforce transition,
labor shortages and
remote work**

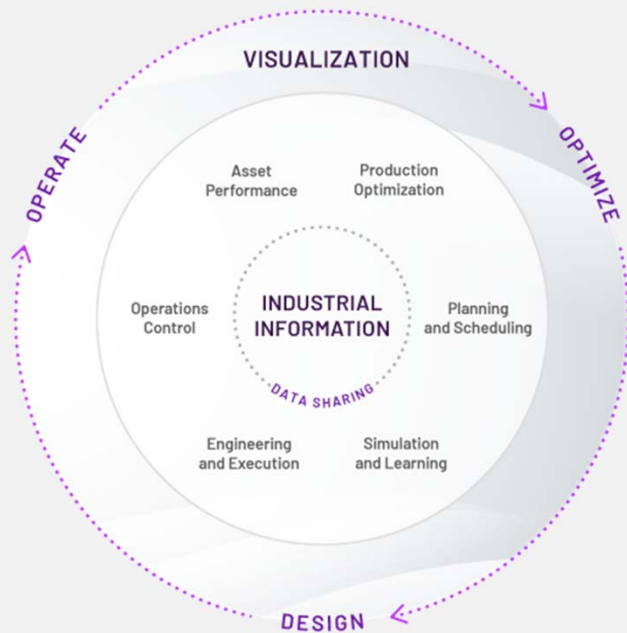

50%

of workforce is retiring in
next 5-7 years

Our innovation strategy helps overcome your challenges

We're extending our portfolio through co-innovation with our strategic customers

AVEVA Industrial Software Portfolio

Business Imperatives

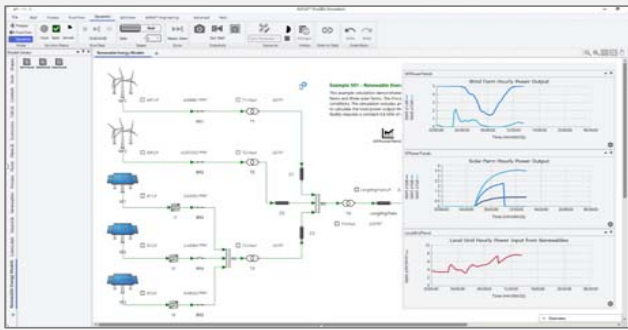

- How to boost productivity while decarbonizing and cutting emissions?
- How can integrated data reduce costly downtime in plant and production?
- How can visualizing current operations improve decision making, and improve efficiency through remote design and collaboration?

Innovation Response

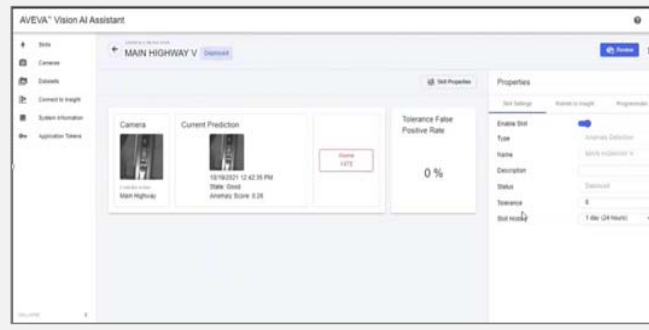

- **AVEVA Process Simulation**
- **AVEVA Vision AI**
- **AVEVA XR**

Our laser focus on your challenges unlocks innovation

We apply the advanced, proven technologies to drive your success and enable you to achieve more

AVEVA Process Simulation

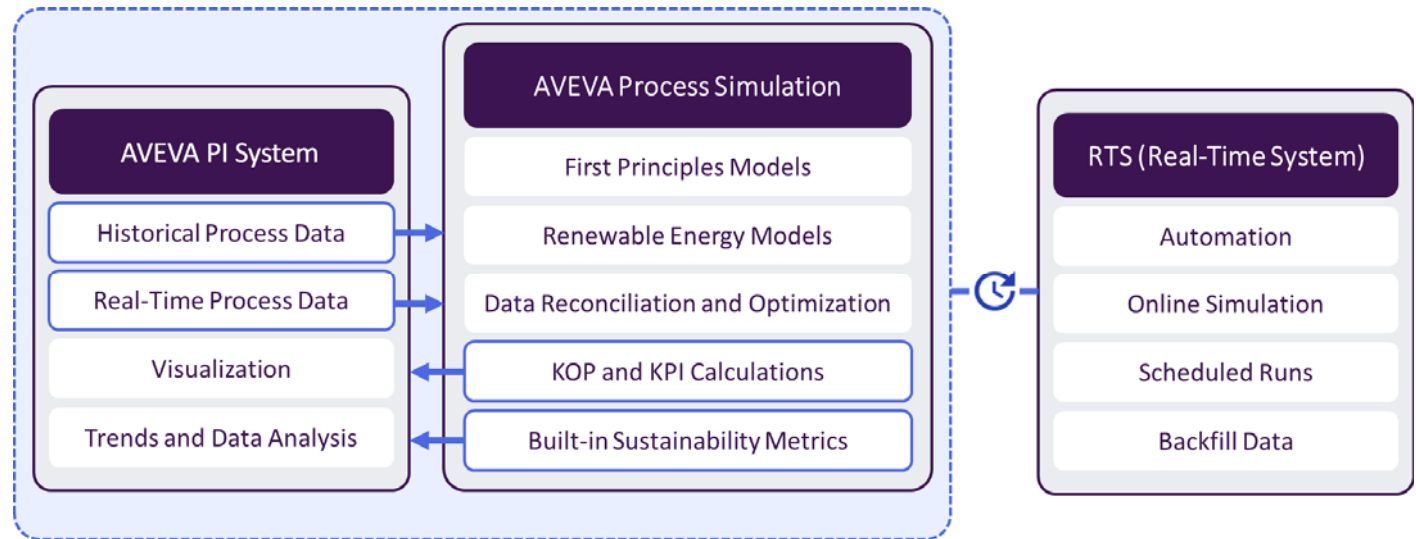

AVEVA Vision AI Assistant

AVEVA XR

Demo 1: Integrated data and insights that drive sustainability

How it works

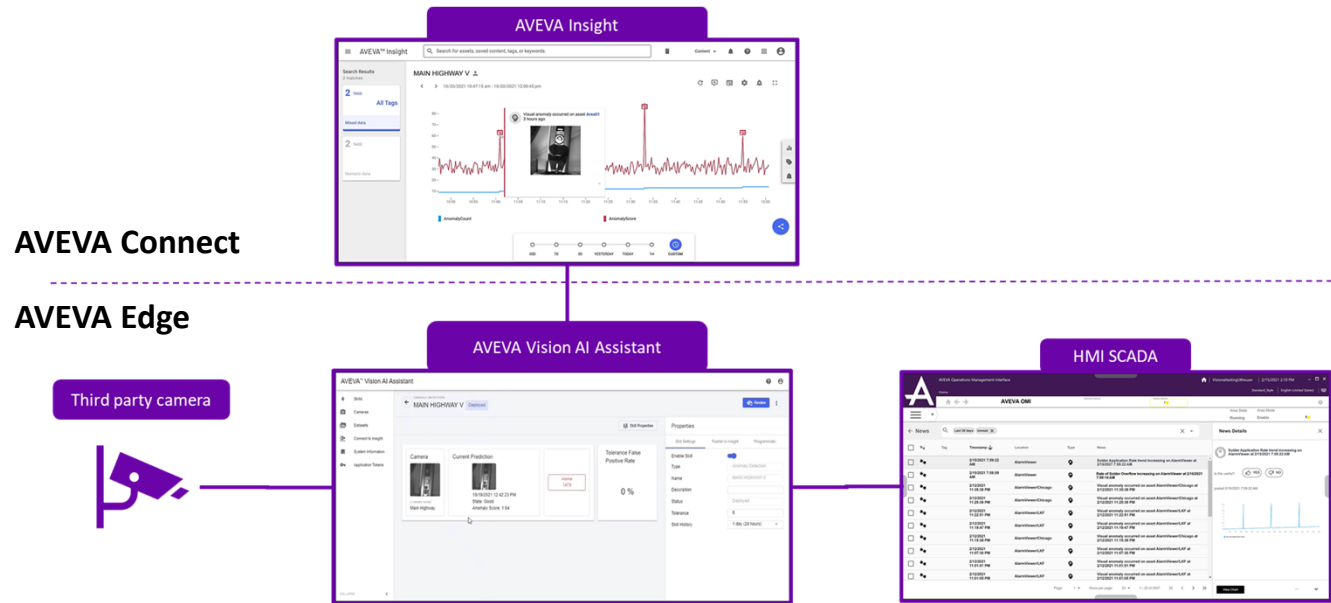

AVEVA PI System operational information management plus advance modeling accurately predict scenarios which are fed back into the operational management system through PI System

Demo 2: Visualize and optimize your entire enterprise

How it works

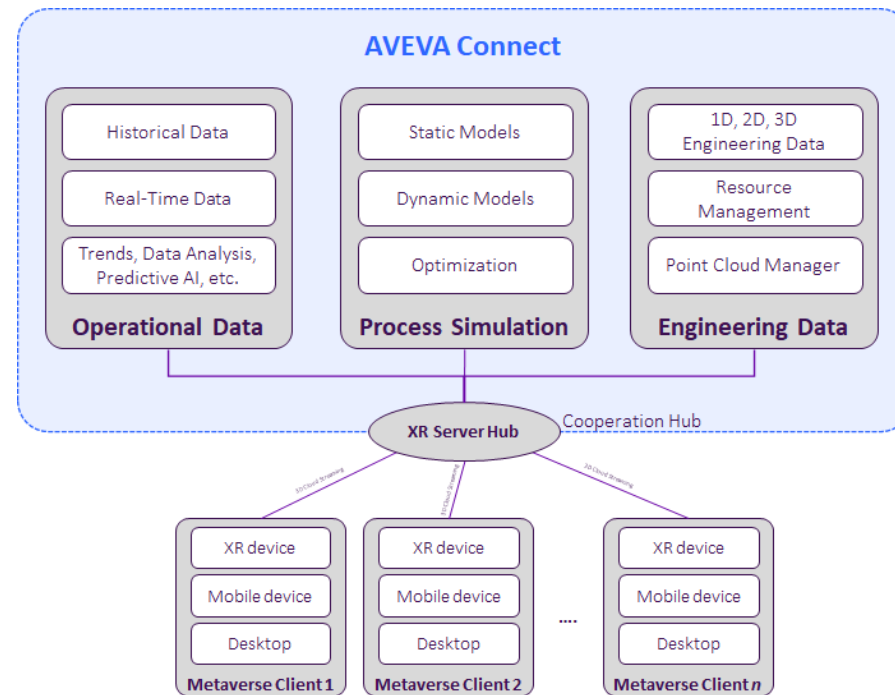

AI algorithms detect anomalies that the human eye cannot see and builds the exception into AVEVA Insight as an action

AVEVA

Demo 3: Discover the AVEVA Industrial Metaverse™ with AVEVA XR

How it works

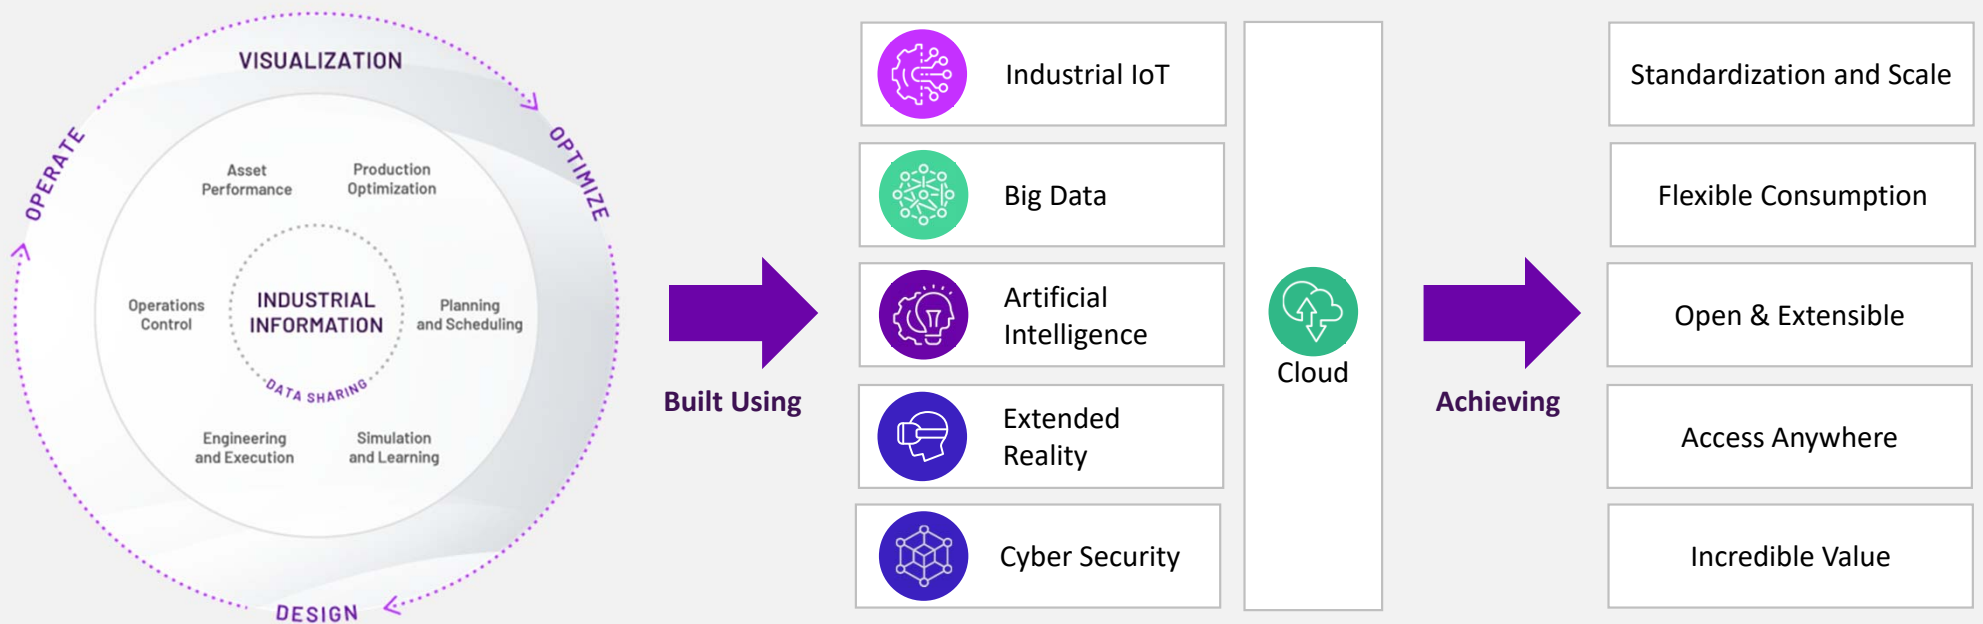

Building blocks for the AVEVA Industrial Metaverse™ using AVEVA XR to solve many different customer use cases in Operations and Engineering

Play the industrial metaverse demo

Innovation that is tailored to solve your business challenges

We never rest, always investigating various technologies to empower your teams and drive your future growth
