A view of a starry night sky seen through a circular opening in a dark, draped fabric. The fabric is dark blue and purple, with some areas appearing to glow with a reddish-pink light. The stars are numerous and bright, creating a dense field of light points.

AVEVA

An aerial photograph showing a vast landscape of rolling hills and mountains. The lower portions of the terrain are completely obscured by a thick, white layer of clouds, creating a 'sea of clouds' effect. The sky above is a clear, vibrant blue, dotted with scattered, fluffy white clouds. The overall scene conveys a sense of height, openness, and natural beauty.
