

AVEVA WORLD

SAN FRANCISCO

An aerial photograph of an industrial facility, possibly a power plant or refinery, surrounded by a vast field of solar panels. The solar panels are arranged in a grid pattern, with a large circular area in the center containing industrial buildings, storage tanks, and piping. The text is overlaid on the left side of the image.

NEW

Unmatched collaboration with AVEVA Unified Engineering

NEW

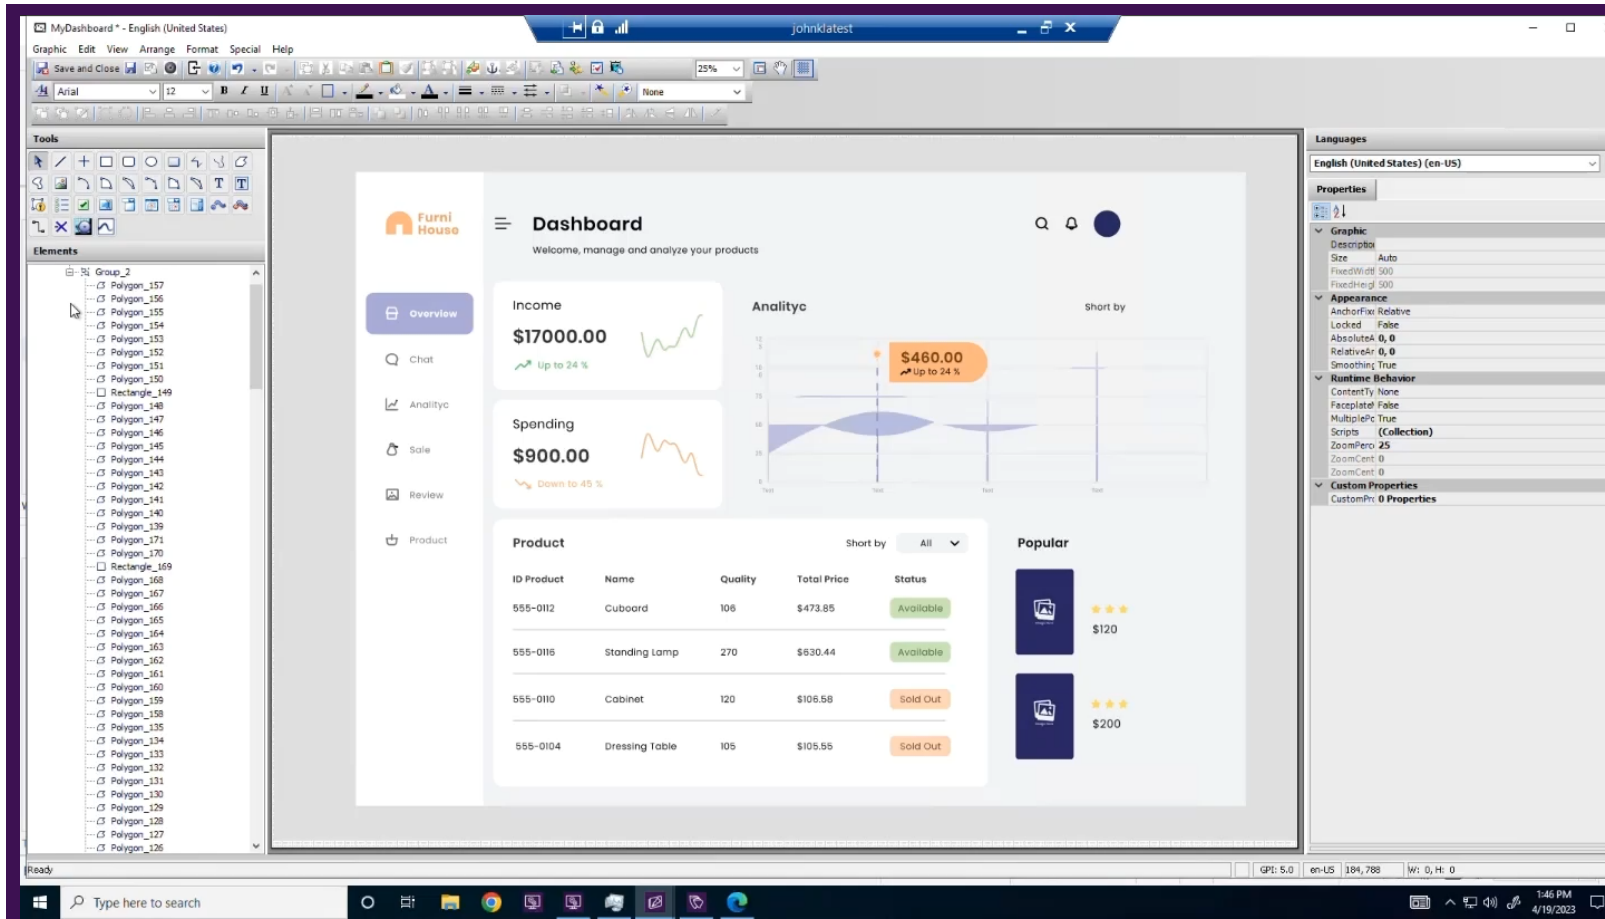

- Centralized architecture
- Ease of community data sharing
- Work anywhere, see changes in real-time
- Persistent customization and 3rd party integrations

IMPACT

- Reduce time to set up and modify projects by 70%
- Lower administration overheads

COMING SOON

Unified experience with AVEVA Operations Control 2023 R2

NEW

- OMI with a full web experience
- SVG import of industrial graphics for engineering efficiency
- Adding OPC UA methods for flexibility and operations efficiency

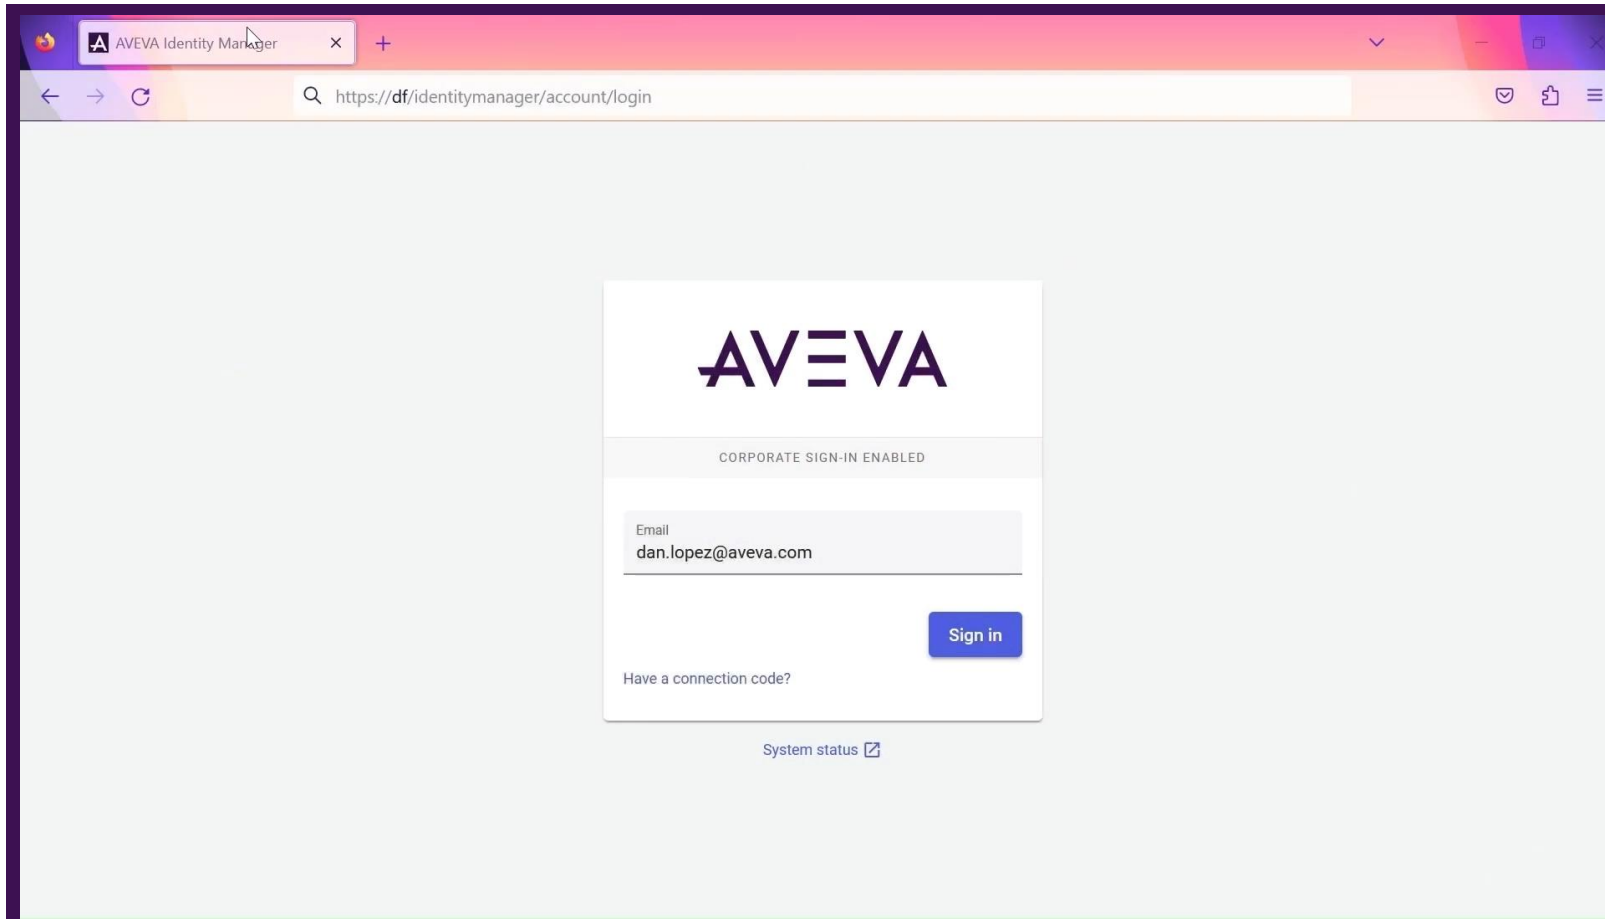

LEARN MORE

- Operations control geek track
- Expo
 - Operations control edge and supervisory
 - Enterprise visibility

AVEVA

NEW

Flexibility you need with AVEVA PI Data Infrastructure

NEW

- Hybrid offer from edge and plant to cloud and community
- Modern authentication via SSO reduces IT burden
- Deploy PI Server hybrid or core branches to support your data needs

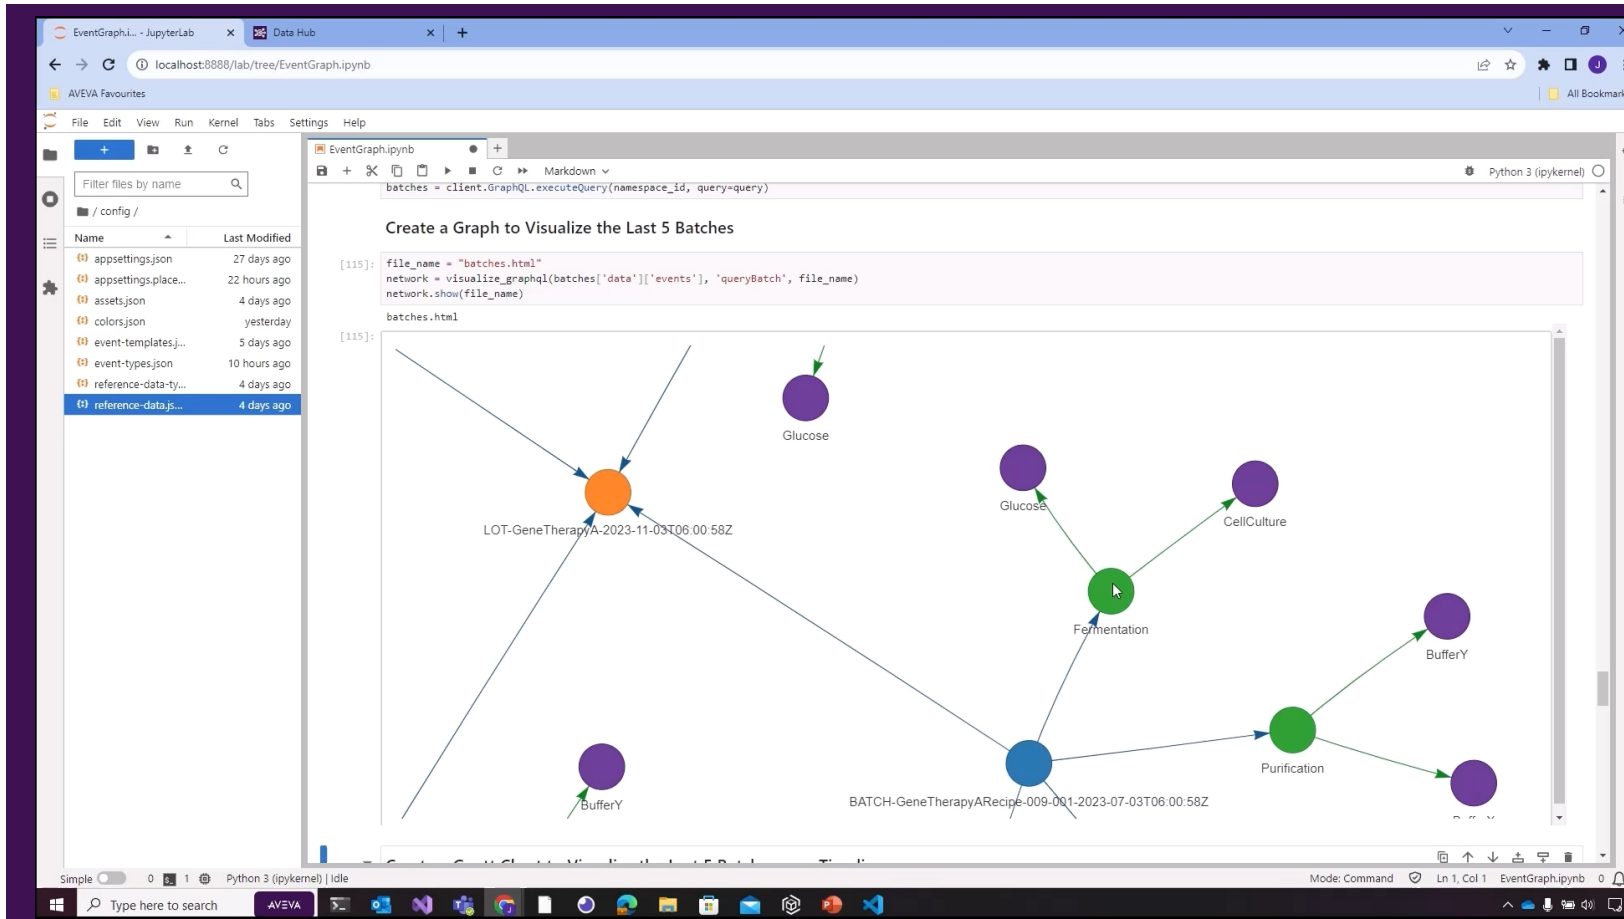

LEARN MORE

- AVEVA PI System roadmap
- Expo: Techy fun zone

AVEVA

NEW

Analyze events data using advanced tools with AVEVA Data Hub

NEW

- Leverage MES and other event data at scale and in the cloud
- Capture relationships with meaningful context
- Real-time AI insights with **AVEVA Advanced Analytics**

IMPACT

- Achieve payback in <6 months

LEARN MORE

- NEW! Ecosystem track
