The image features a low-angle shot of several modern skyscrapers with glass facades, partially obscured by a dense canopy of vibrant green trees. The scene is bright and clear, suggesting a sunny day. Overlaid on this background is the Albemarle logo, which consists of a stylized white flame or leaf symbol to the left of the word "ALBEMARLE" in a white, serif, all-caps font. A registered trademark symbol (®) is positioned at the end of the word.

ALBEMARLE®

Providing Critical Ingredients for Mobility, Energy, Connectivity and Health

MOBILITY

Advancing the future of movement by being the leading provider of materials that make mobility better and cleaner.

ENERGY

Powering the energy transition to meet the rising needs so we can ensure the world has critical resources for years to come.

CONNECTIVITY

Enabling an always-on world to make technology more consistent and reliable, so we can continue to innovate more efficient.

HEALTH

Improving quality of life by making health safer and more attainable today, so the planet and future generations can continue to thrive.

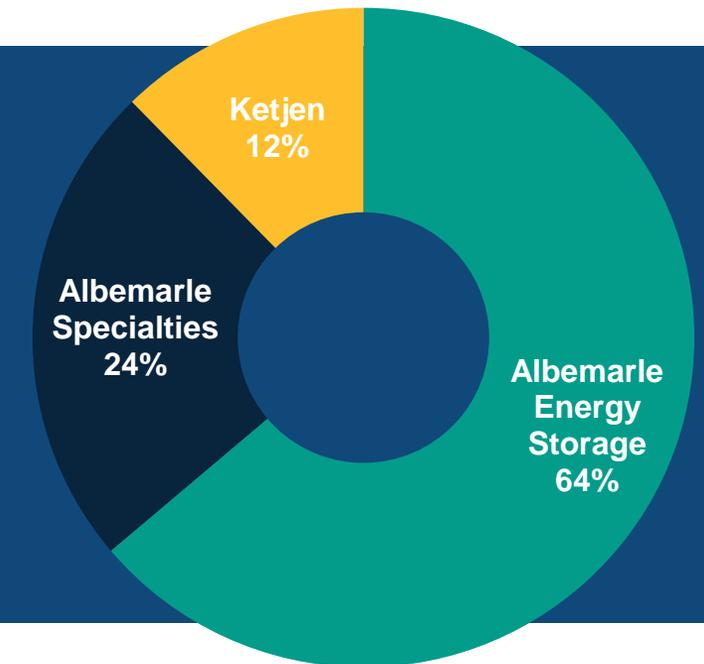

Leading the World in Transforming Essential Resources

Albemarle creates 20M PI Event Frames, with estimated improvements >\$50 million annually

Challenge

- Hundreds of thousands of data points
- Manual data sharing and reporting processes led to information bottlenecks
- Massive manufacturing growth and demand – fueling the need for more efficient manufacturing processes

Solution

- Deployed a massive, standardized implementation of the full AVEVA™ PI System™ to
- Created Albemarle Intelligence Program, merging the experience and skillset from all of our manufacturing employees, with world-class technology

Results

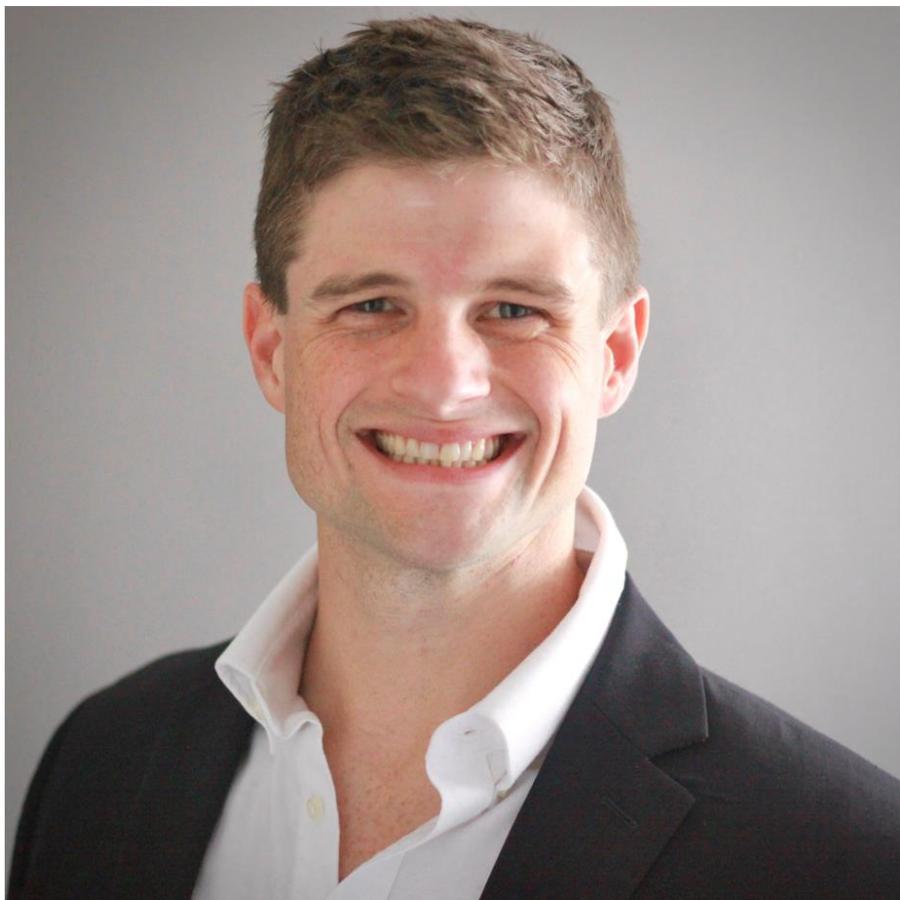

- >\$50 million in estimated annual improvements
