

AVEVA WORLD

SAN FRANCISCO

An aerial photograph of a mountain range. The foreground and middle ground are dominated by a thick, white sea of clouds that fills the valleys and surrounds the lower slopes of the mountains. The mountain peaks are dark and rugged, rising above the cloud layer. In the background, more mountain peaks are visible, some partially obscured by clouds. The sky above is a clear, bright blue with scattered, wispy white clouds. The overall scene is serene and majestic, suggesting a high-altitude environment.
